Deny and Allow Student Access to WebCT v 4.1 Course Sections

How To Deny Student Access To Your Course ...

* Click >> CONTROL PANEL button just above the COURSE MENU at the left of the screen
* Click >> MANAGE COURSE button in the CONTROL PANEL
* Click >> MANAGE STUDENTS from the MANAGE COURSE area.
* Select DENY STUDENT ACCESS from the middle OPTIONS: ADVANCED drop-down menu and click the GO button.
* Scroll down to the base of your listing and click the DENY ACCESS or button at the bottom of the page.

How To Allow Student Access To Your Course (IF you denied student access) ...

Follow the steps given above but select ALLOW STUDENT ACCESS from the middle OPTIONS: ADVANCED drop-down menu instead of DENY STUDENT ACCESS.
